I hunted antelope with Sandy Hills Hunting Co. last fall. My husband Sam and I had a great time with our guide Tim Howard! We were immediately in the antelope on opening morning. I was able to capitalize quickly and we were even able to get it on video! I highly recommend SHHC for antelope and mule deer. We have known the owner Jeremy Fiscus for years and he is probably the best hunter, guide, and mule deer enthusiast in Colorado! We always have an awesome time with the guys at SHHC. Whether you are looking for a trophy mule deer or just a great hunting experience, I can guarantee you that they will work their butts off to get you opportunities and high quality encounters! -Kendra

My hunting experience with Sandy Hills has been outstanding! My first hunt was antelope hunting with 2 other guys we were all successful in killing nice antelope and had a great trip. So I booked a mule deer hunt for my dad and I wanting him to get a nice deer. At 71, he killed the biggest deer of his life... a 185" muley. I also harvested a nice deer the same week. Jeremy and his guys worked really hard to put us on the game. They are a class act. I look forward to coming back again this year. - Jerry
